

Rapid Fire Records - Bad Acid

Posted by McTwist - 2009/05/27 21:15

June 16th Rapid Fire Records brings you Bad Acid. A compilation of 3 Canadian producers. Myself McTwist, Dreamthief and GTM. This is going to be one stellar release. You will be able to get it on beatport, trackitdown, juno and many other places. You will be hearing it soon from some of the djs on NuBreaks.

See you Sunday and support your local djs.
