

Boomslang Beats 3rd June - TCR SPECIAL - NSB Radio 9pm-11pm

Posted by high eight - 2009/06/03 13:07

It's the first Wednesday of the month, and that means it's Boomslang Beats time! Tonight it's a very special TCR tribute show, ahead of this weekend's Boomslang event at the Junction in Cambridge, where Rennie Pilgrem & TCR will be taking over Room 2 for some serious celebrations!

Without Rennie Pilgrem's TCR there would be no Nu Skool Breaks, no Friction with Adam Freeland & Tayo, no HUM with Meat Katie, no Breaksday at The Glade Festival, no Stir. Founded in 1993 out of the ashes of the UK rave scene, TCR has the largest back catalogue of breaks-based music on the planet. They have constantly pushed boundaries and taken chances, and have garnered a hugely loyal following.
