As leading breaks dj's, artists, label and promoters of South Florida, we are planning on throwing an eclectic mix of some of the finest breaks talent from all over the globe.

Our line up will be unique as it will feature the most talented producer based artists that are making waves in our scene.

This event will be held on Wednesday March 24th on South Beach at a new venue to be disclosed at a later date.

Any artists, labels, websites, forums, sponsors interested in being added and getting involved with us and our partners please contact us at:

This event will not only showcase what we are doing, but lead into a partnership for future endeavors, such as music releases & off shoot events throughout the year in our market at our club events and music festivals.

Marketing and promoting the prominent state and future of break beat culture.

This is an official WMC event!!! FULL LINEUP TBA.
