A massive thankyou to all those who attended Lowdown & Dirty with HYBRID on Saturday. It was a brilliant night. Loads of new faces all rocking to the sounds of breakbeat, house and tech-funk, i even think i heard a dubstep tune thrown in somewhere. A few classics got played too... a couple i can remember were - Jaydee - Plastic Dreams and Future Sound of London - Papua New Guinea... Awesome!!

Our next event is with the very talented A.SKILLZ on Saturday 19th June.

His incredible deck talents involve fusing funk, hip-hop and breaks with smatterings of d'n'b and dubstep with his unique style of scratching and mixing. Lauded by Krafty Kuts and DJ Yoda to name a few, A.SKILLZ is a DJ that has to be seen to be believed!

Download some of his funky mixes here - <http://soundcloud.com/a-skillz>

£6 earlybird tickets are available from <http://www.skiddle.com/events/11368035/> until the end of May, they will then be £8 advanced and £10 on the door.
