Shatt-A-Proof

Allied RuKus/Stereo:Type/Sinister Works Inc./Nubreaks Dj

In the Scene since 2000, Shatta's remained North Carolinas underdog for years. Pushing only the hardest in breaks, He has a love for all things grimey. Having formed numerous affiliations with NC crews and collectives, the Allied RuKus (now 8 strong) was formed by Shatt-A-Proof in late 2000 to help DJ's from Eastern Carolina get some exposure, to date its done just that. You can always count on Shatta packing in as much as he can into his DJ sets. Promotions, production, and the hottest tunes available to man are what makes this guy live and breathe. Today brings a new day, with his addition to the nubreaks family expect him to come out of nowhere! Origional tunes from his newest project Sinister Works Inc, guest DJ sets from all over the spectrum of breaks, and an intensity that just cant be matched is whats gonna make you want to keep a close eye on this guy...

Alterity, Breakbeat DJ, producer and co-promoter / Drum and Bass DJ

Affiliations:

Allied Rukus / Sinister Works, Inc. (SWINC) / Stereotype / NuBreaks.com DJ

California's unknown hero.

A rookie in a world of all-star vets, Alterity does well in holding his own. Just one year after recovering from the mind orgasm he incurred touching his first set of decks, he moved to North Carolina and soon joined forces with the likes of Shatt-a-proof and the Allied Rukus. A mere two years into his career, Alterity has had the honor of playing at Carolina Breakbeat United twice, and has co-promoted and sponsored shows bringing some of the West Coast's finest out to North Carolina (i.e. Aaron Jae, Simply Jeff).

Like his career, the story is brief, but growing at a rapid pace. If you're looking for a DJ that allows himself to be pigeon holed as a genre-specific DJ, then you've come to the wrong place. Constantly trying to keep things fresh, Alterity has been able to offer the best of both worlds to club goers in the Carolinas (and now world wide), interweaving the sounds of breakbeat and drum n bass in his live sets, and with his new start up project, Sinister Works, Inc., he and the Allied Rukus have been able to offer new sound form to the masses.
