

New Archived Shows!!!

Posted by DigitalMasterTaco - 2012/10/04 03:11

Fresh new shows are up in the archive section...

I would say they are mostly Drum and Bass, but hell, I can't remember every track that I play when I drink :p

If you need ANY help accessing (or uploading to) the archives, just let me know and I can walk you through it.

That's what I'm here for, to help the DJ's and LISTENERS with ANYTHING they have question's with :D

KEEP IT LOCKED!!!
