The idea behind Rektchordz is to create an original blend of various styles and genres to create a sound that is not only fresh but completely dance floor friendly. Having an open mind to all music and letting their sounds influence his work is the reason behind his growing popularity. Tired of labeling negative attitudes throughout the scene, jays attitude is "Good music is good music" and prides himself on experimental sounds and new ideas to help push the scene into new and intresting directions. 2008 will bring you Rektchordz working along side some of the best labels and artist's in the scene and continuing to put as much positive energy into his work as possible..

Hailing from one of flattest places around... the duo known as 'Flatland Funk' brings to dancefloors across the west a roof-raising, booty-shaking sound that is anything but flat!

Phaty McLefto and Tiki bring with them to the decks the sounds of cutting-edge Breaks, Electro, House

and all things PHAT dynamically mixed together with wizardry and sheer energy that has made them known and respected by many. They have played alongside various producers and DJ acts such as The Rogue Element, Hook 'n' Sling, Myagi, Donald Glaude ,Zimbardo, Eskmo, Kraddy, The Phat Conductor, Jelo and others and have been breaking new ground with regular performances and club Residencies that has kept them busy across the Prairies.

Aside from playing out, they keep themselves busy by hosting weekly online radio shows 'The Gong Show with Tiki' on BreaksFM.com, 'Flatland Funk with Phaty McLefto and Tiki' on Nubreaks.com with the "Epidemic Records Sessions" mondays, and 'Smoke Breaks with Phaty McLefto' on NSB Radio to a wide and diverse worldwide crowd that has earned them kudos and recognition from some of the best out there. Always a funktacular time in pushing out the Saskatchewan sound that's nothing short of madness, this duo is not to be missed!
