

Primetime w. JPrime :: Canadian Back breakin

Posted by jprime - 2008/05/13 15:08

The other half of the Canadian Back Breakin team has returned from Africa after a 5 month trip and will be joining me on my show.

We'll cue it up as the Canadian Back Breakin show, so keep an eye open for Mr SevenFingaFunk around the chat on Tuesday nights :)

Cheers,
