:P Happy Birthday to us, Happy Birthday to us... :P

Well... It's been a year since SK-2's Inferno Sessions took to the air & this our Birthday show will be a round-up of all our favourite tunes from the last 12 months...

After starting out as merely "something to do on a Wednesday afternoon" the show has gone from strength to stength. Nowadays of course it is known for showcasing the latest tunes & is regarded by many as their first stop for all the latest Breaks releases, which has in turn led to SK-2 being nominated for 3 BAFTA's, 4 Oscars & a Nobel Peace Prize!!

So make sure you tune in peeps, come join us in the chat & don't forget our prezzies...

Wednesday 16th July 2008 - 3pm-5pm GMT (10am-12pm EST)

THERE WILL BE CAKE!!!
