

NO djp's nedroom breaks today guys!!

Posted by djp - 2009/02/27 08:35

sorry guys im haveing some problems with my net at home

router is on the blink brought new one and still playing up might be my line someone comeing out

monday to look at it as i have not got a clue about this stuff:unsure: so pls accept my apologies and tune in next week

dan
