Ezz peeps

Just letting ya know there will be no Inferno Sessions show for the next few weeks, trying to get the situation sorted as we speak so will hopefully be back soon.

Also as Maestro broadcasts from the same place as me, his fortnightly Smokin Breaks show will also be off the air until we get a connection re-established...

Sorry for the inconvenience & will be back soon!!

:( :( :( :(

i dont know what im gonna do for these few weeks :/

Inferno Session is my biggest addiction (between cigarettes & graphic design).
