Hit The Bricks takes a 1 month sabbatical Posted by Nabs - 2010/11/03 17:01
Hi folks,
For the month of November I will be away and therefore Hit The Bricks (alternate Wednesdays 7pm GMT) will be covered by veteran radio honcho Slick Willy D with the Asylum Breaks show.
Stay tuned and fear not as I'll be back in December with the usual aural treats and beats.
