

Trainstation Saturday 03/05/11 Fill Please ????????

Posted by wino1 - 2011/03/05 09:07

If anyone wants to cover my two hours from 2-4 Central time, 3-5 Eastern, please let me know.

I can't mix today, as I'm trying not to lose my leg or my life to a tight little infection I got. I'm on medz and seen doc but I cant stand up for two hours to do the show, have to keep my shizznit elevated.

So, Dex, Dirtee, Twink, Audiotoxin, ReFill, anyone who is around on Saturday today that may want to cover please be my guest.

If not, then I will play an archive of mine for that time. Thanks guys!
