

Sunday Night Mass w/ The Nazty Boys

Posted by phloax - 2011/05/30 16:45

Hey everybody it's your boy PHLOAX from The Nazty Boys! Just wanted to give a quick update. I am uploading our last 10 radio shows to the archives right now. Just figured I would give you a heads up & let you all know to keep your ears locked to the station. NUBREAKS BITCHES!

Also over the next few weeks I will be going over all of our old mix tapes from over the years & doing some nubreaks voice overs & uploading those to the archives as well. Should be pretty dope. I guess that is about it for updates, just figured I would let ya'll know what's good in The Nazty Boy hood & give ourselves a plug.

Sunday Night Mass w/ The Nazty Boys, every Sunday from 8-10PM ET on www.nubreaks.com! You know what it is!
