TROCOLOCO

Victor Gordon aka TROCOLOCO is a rising Breaks producer based in Seville, Spain. With a powerful yet melodic and quite darkish sound TROCOLOCO is floating mainly in the Progressive-Breaks side of things with rather awesome atmos and wicked melodies in his music. He has already signed a quality 3-track single called "ENDLESS JOURNEY EP" (due to be released very soon) while he had managed to sign the single "DEBACLE" for V.I.M.BREAKS which is going to be released at the beginning of August backed with quality remixes by EZ BREAKS and RICK TEDESCO (V.I.M.BREAKS209 TROCOLOCO "DEBACLE"). Watch out for more Progressive beauties by the rising producer in the near future!
