T PHUNKEE & PLATEAU

DJ PLATEAU (Dylan) and T PHUNKEE (Travis) are two producers, djs and good friends from Norfolk, USA. Signed to V.I.M.BREAKS at the beginning of 2013 they're bringing their fresh and funky sound to the scene with style! Their first remix (V.I.M.BREAKS200b THE MANY LOVES OF JACQUES CASANOVA-THE REMIXES) released back in June of this year and caused a lot of buzz in the scene for their uplifting n' dirty Electro-Funky Breaks sound. Their first official single will be out in September of this year (V.I.M.BREAKS SPECIAL EDITION 27 T PHUNKEE & PLATEAU-RIDE MY BASSLINE) and is a killer Funky n' Booty roller ready to set dancefloors on fire! With another single signed to our label and more fresh works to come soon seems like the future looks bright for these rising producers!
