ALT-A

Mark Holbrook aka ALT-A is a fresh but fast rising UK Breaks producer! At a young age Mark learned Piano, Guitar and music theory identifying his true passion for music. Highly inspired by electronic music, Rave and Acid-House he had started involved with production since early 2000's but other priorities forced him to stop after 2 years. But his true passion and love for music forced him to start producing again in 2012 and May of 2013 ALT-A's first single with the catchy title "IT'S LIKE GRAVY.....BABY!" was released for the Spanish label FUNN DARK RECORDS. Since then he never looked back and as an artist really "on fire" he managed to release more than 7 singles and a lot of remixes for labels like SPEKTRA RECORDINGS, MUSIC DARK RECORDS, SOUND PERFECT BREAKZ RECORDS, YEAH MAN RECORDS and DIVERGENCE RECORDS with great support and outstanding chart success. Watch out for more stuff by him very soon and his first V.I.M.BREAKS release "FASTER THAN LIGHT EP" coming out soon!
