### MISS MANTS

Maria Igosheva aka MISS MANTS is a fast rising Breaks producer from Tallinn, Estonia. She has started studying classical music and playing piano at the age of 12. Skillful dj MISS MANTS organised a lot of parties in her hometown and many other places while in the last years she has started producing her own music. With influences ranging from Hip-Hop to Drum n' Bass and Acid she had managed to create a really solid Breaks sound full of power, energy and awesome feeling! Her first single (together with DRKWTR) for Canadian label BREAKZ R BOSS was released late May and caused a lot of buzz while her new single "URBAN FOUNDATION/CHASING PERFECTION" for V.I.M.BREAKS is causing a lot of stir in the Breaks scene with her dope & energetic sound! Watch out for her forthcoming "INFUSION/THE BEGINNING" single for our label and her original track & remix for V.I.M.BREAKS250 SPECIAL RELEASE! Seems like 2014 will be a wicked year for this rising lady of the Breaks scene!
