V.I.M.BREAKS ARTISTS PROMO: MKR

MKR

Tiziano Rindi aka MKR is a fast rising Tech-Funk/Techno/Breaks producer from Pisa, Italy. Back in the beginning of 2013 MKR released his first remix for BENEFIT RECORDS, a rather excellent Tech-Funk remix of Vandal's "VISION IN LEATHER" single which caused a lot of stir for his sound. Followed by the "PLASMATIK" collab single with Vandal for the same label, the "DOPPELGANGER" techno single for TRASHZ RECORDS and the "DELIRIOUS" killer single also for BENEFIT RECORDS 2013 was a really astonishing year for him. After a short break MKR returned for V.I.M.BREAKS with the rather excellent "RUSH" single which got strong support by everybody and climbed on Beatport Breaks TOP100 charts. With a forthcoming remix for our label on the pipeline and some new, fresh and hot stuff seems that MKR is one of the producers to watch!
