THEC4

Fran Carmona aka THEC4 is a top class Spanish Breaks/Tech-Funk producer from Cordoba, Spain. He has started as dj back in early 2000 and after some years of experience in various clubs, festivals and raves he started producing his own tracks. He released his first single back in August of 2009 for the legendary Spanish breaks label CHIPSOUND RECORDS and he never looked back. For almost 16 years THEC4 is a top quality producer with a really strong profile in the scene as he has managed to release singles and remixes for various labels like SPEKTRA RECORDINGS, KULTURA BREAKZ RECORDS, KEY AUDIO RECORDS, BEAT BY BRAIN RECORDS, FANTOMAS RECORDS, DIABLO LOCO RECORDS, SOUND BREAK RECORDS, BOOTY TRAX RECORDS, TEKNICAL RECORDS, V.I.M.BREAKS and more. The last 3-4 years he's running the rather excellent RHYTHM & BREAKS blog, a blog dedicated to offer free releases to the Breaks audience while he's also producing under the DINAMIK alias on a more Tech-Funk style (check out his wicked releases for DIABLO LOCO RECORDS).
