WINDOM R

Dmitry Yudin aka WINDOM R is a top quality producer from Russian Federation. His first release saw the face of light back in March of 2015 and it was a totally phat and wicked remix for LLUPA's "BREACH" single on RUNE RECORDINGS. The remix was followed by the rather excellent and unique sounds of "SHAOLIN JAM" EP at the end of the same month for RUNE RECORDINGS again and since then WINDOM R managed to build a really strong profile in the Breaks and Drum n' Bass scenes with some quality releases for RUSTOUT RECORDS, RUNE RECORDINGS, DUBS RECORDS, EGO SHOT RECORDINGS, DEAD FAMOUS RECORDS, XCLUBSIVE RECORDINGS and V.I.M.BREAKS. His first single for our label (GHETTO NIGHT/HIDDEN MOVEMENT) caused a lot of buzz and followed by a totally dope remix for BROX-BIT's "THE NIGHT" single and his latest killer remix for SLUGWARE's "HOCUS POCUS" single Watch out for more stuff by him during 2016!!
