London expats Peo **Haggstrom** AKA **Peo de Pitte** and Hilton **Caswell** gets together for a total dance floor destroyer here. This is rough electro/fidget with memorable lead line and action from MC Shawniemon on top. This one has already been road tested and is fully supported by **Laidback Luke** himself!!

Peo's trademark combination of rare groove beats and cutting

edge synth action has resulted in making **Peo** one to watch in 2009! His remixes of

Haggstrom 'Be My Baby'

and

Marcus Rombo 'Bringing'

has won huge support from breaks and electro DJ's and many others in between. Watch out for his latest upcoming remix works on 3 of the most heavyweight labels around. He will be retouching Drumattic Twins on

Fingerlickin'

, Flore on

Botchit

and Dylan Rhymes on

LOT49
