

KAYSHAN is a fast rising British producer located in Spain and one of the “new blood” artists of V.I.M.BREAKS family. With some tasty singles and remixes under his belt (for FUNKLAB RECORDS and SPEEDSOUND RECORDS) KAYSHAN is no stranger to V.I.M.BREAKS audience as his quality remix for GENUSS “TRAKTEUR” track and his “Pardigm Shift” track for PARALLEL DIMENSIONS 2 compilation have already caused a lot of stir. This is his first proper single for the label, a powerful and rollin Breaks track with beautiful vocals by STEPHANIE KAY!
