

JOE C, a fresh member of the Luchadores league, is also known as “El Principe De Plata Y Oro”. He's a powerful former Luchador raised by a Mexican family in the wild ghettos of Tijuana . He usually wears a target shaped mask and he also carries a small box containing his unique and ultra powerful weapons, made of silver and gold! Legend says that were given to him by an old Voodoo magician of Santa Esmeralda islad in exchange for a precious 30years old bottle of tequila. These weapons, known also as “les mysticos de battle” helped him to eliminate all villains that terrorise innocent people in the Ghettos of his city. ALT-A, the mighty “El Old-Skoolico” and leader of the Luchadores old-skool community, long time partner and friend of Joe, comes in colours with his usual awesome techniques just to give his ultra-thrilling beatz, pieces and pianos in the war against crime!
