

Also known as “Mr.Personalidad”, KL2 is one of fresh Luchadores in the League Of Extraordinary Gentlemen. Stereo stealing Werewolf, Tiki warrior, deep sea greaser and rude gun toting redneck protects Sevilla from villains and criminals. He never takes his mask off and only respond to his Luchador name, although considered as superhero Puriacha (the mafia don) think of him as overgrown nerd. His Tech-Funk techniques are purely awesome and he's perceived as the inventor of at least ten irresistibile Luchador fight moves! Really attractive to women can perform a mysterious technique and make their “Heart Crush”. BEATSLAPPAZ are representatives of the Booty Luchadores family in Australia. Usually they're creating beatz n' pieces but when they've got some free time are surfin the shine waves of Bora-Bora or ride a Kangaroo!
