

THEC4 is without a doubt one of the best worldwide producers of the modern Breaks scene. The quality Spanish producer, well known for his tasty Tech-breaks style, is doing his stuff since 2008 and has got some awesome releases for labels like **SPEKTRA RECORDINGS**, **KULTURA BREAKZ**, **KEY AUDIO RECORDS**, **DIABLO LOCO RECORDS**, **BEAT BY BRAIN RECORDS**, **FANTOMAS RECORDS**, **V.I.M.BREAKS** and many more. This is a top quality track offered with two superb mixes by the man himself, one for the Proggy melodic Breaks lovers and one for the Tech-Breaks fans!

On the remix duties we've got the fast rising British duo HEADSET HEROES well known for their releases for FANTOMAS RECORDS, JUICE RECORDINGS, STARS & KNIGHTS RECORDS, GIGABEAT RECORDS and more doing their quality Booty stuff while Hungarian Proggy-Breaks producer MDK (with many releases for DEAD FAMOUS RECORDS, EGO SHOT RECORDINGS, V.I.M.BREAKS, IN BLOOM RECORDINGS and more) offers a stunning powerful Proggy flavored remix!
