

PIO BEAT aka “El Malefico”, the most powerful villain in Lucha Libre, is back!!! His true identity is Jenny Perkins and he lives with his family in Kaliningrand, Russia’s most western region surrounded by Poland, Lithuania and the Baltic Sea! He loves dirty basslines and he usually travels throughout the world for mysterious missions! His last mission caught him in the far-far away Egypt land where he tried to identify an old Lucha demon that was transformed to an evil creature from outer space and was hidden inside pyramids! Our Lucha hero threw some unique and phat dirty beatz and pieces by the name of “Anubis” and “Nile”, managed to identify the demon and fight him till death! Full of glory and passion he was worshiped by Egyptian as a God from the Baltics!!
