

Following the call of learning, be ready to dive into the gloom of unfulfilled expectations. The universe is not always kind to us. Sometimes it puts us to severe tests in order to check whether you are ready to withstand your own fears and accept life with a pure heart as it naturally is.

Meet the new single by Purple Plate, in which he continues to struggle with the unknown. Also find on board three remixes by Sergei Orange in his brand sound, techno vibe by Crakman and

a dark interpretation of the original mix by IMNAH.
