

**Diesel Recordings** release No.106 with British artist, **Alt-A**.

**Alt-A** brings a very tasty track to our table. **Talk Box** will undoubtedly please those who love melodic yet bass heavy breakbeat. His track is filled with beautiful melodies, deep bass line and great technical drums; a perfect gem to have in your music collection. The original track comes with 2 amazing remixes. American producer, **Just10**

, delivers a heavy weight remix for this release. Deep, heavy bass line and a great flow; this track will set the dance floors on fire! British producer,

**Perpetual Present**

, delivers a huge remix for this release. It's a breakbeat beast filled with heavy bass lines, great drums and wicked energy, top class production.

Must Have for every DJ mix!
