

## Breaks Of Dawn v1

Posted by twinkdogg - 2008/01/24 10:53

---

This is a progressive-nuskool breaks mix I did in Ableton Live. A lot of chilled out early morning type breaks on here hence the name. I've had these tracks for a while now but just never got around to doing anything with them.

Track listing:

- 01.) Andy Ling - Calling Angels (Seth Vogt Breaks Mix)
- 02.) Blue Room Project - Tone Deaf (Nash T Broken Mix)
- 03.) Brahma & Sean Gruv - We Awoke feat Jillian Kiggins (Jacob Todd Mix)
- 04.) Dan F - Present Tense
- 05.) David West - Carrier
- 06.) Formulate - The Voice of Qi (Brian Seed s 8-Bit Breaks Remix)
- 07.) David West - Envy
- 08.) S Junkes - If You Stay (Brokek Up Mix)
- 09.) Wrecked Angle - Back To Babylon (Burufunk Remix)
- 10.) Kananga - Inner Feeling (Kristian Sharpe Etheric Mix)
- 11.) LP - Angels
- 12.) Trafik - Surrender Feat Rachel Lamb (Trafik Breaking Willis Vocal)
- 13.) MRZ - Probing Outer Worlds (Apollo 11 Mix)

Running Time: 79:03

Bitrate: 256kbit VBR

Cool bro, I'm glad you liked it. Thanks for the feedback. I'm planning on putting together some more mixes like this in the future hence the "v1" at the end of the title. Glad to see some peeps digging the more proggy type breaks. :)

Will do. My apologies for calling you "bro". I'm quick to assume the male gender around these parts. :)
