RUIDO

Rui Carvalho aka RUIDO is a prolific Portugese producer based on London, UK. One of the earliest and key members of V.I.M.RECORDS he was first appeared in our label with the rather excellent "THINKERS EP" for our V.I.M.TRONICA division. The EP was released back in 2009, gained strong support and chart success while caused a lot of buzz in the Breaks and Electronica scene with it's unique blend of sounds! RUIDO managed to release some other killer singles and remixes for our label, participated in our compilations, released a killer darkish Breaks single for BADMOOD RECORDINGS, while he was launched his Dubby-Techno alias, STEREOPATHY and his rather excellent Ambient/Electronica/Dubby-Techno label 19TH STUDIO RECORDS. Watch out for more by him in the near future!
